What we offer

The Xchange is a free and confidential service which helps reduce drug related harm to individuals and communities.

We offer a comprehensive needle exchange, ensuring anyone who injects has access to a full range of sterile injecting equipment and other paraphernalia. We also offer safe disposal of used injecting equipment.

Our service is free and confidential

We provide:

- Access to clean injecting equipment
- Safe disposal of used injecting equipment
- Support and advice
- Referral into drug and alcohol treatment services
