

COVID-19

UPDATE

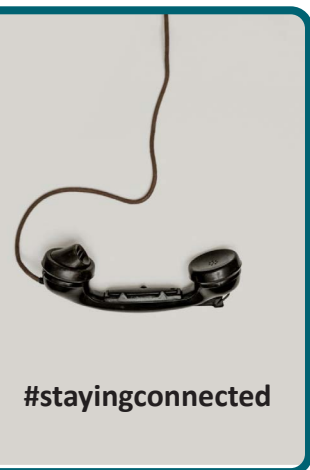

www.catalystsupport.org.uk/COVID-19-Help

As a community based charity, we know how important support is for our clients. We have been working hard to ensure our clients and the community get the help they need during this time. Our services are still operating but some services have been adapted to comply with the Stay Safe, Stay Home Government Guidelines and we are looking at developing these even further over the coming months.

CATALYST ARE STILL SUPPORTING CLIENTS REMOTELY AND ARE OPEN FOR REFERRALS

T: 01483 590 150 | E: info@catalystsupport.org.uk

OUR MENTAL HEALTH & WELLBEING SERVICES

Community Connections Telephone Support and open for Referrals

With the stay safe, stay home guidelines now in place, we cannot meet our clients face to face and are unable to offer groups and activities until further notice.

TELEPHONE SUPPORT: We are pleased to be able to offer telephone / skype support to our clients and are doing regular weekly welfare checks.

REFERRALS STILL BEING TAKEN: Community Connections referrals are still being taken by email and telephone. Clients will receive a telephone assessment when their referral is received. Less vulnerable clients will be allocated to a waiting list. [How to make a referral.](#)

Safe Havens Open for those in crisis

Our Safe Havens in **Guildford, Woking & Aldershot** remain open as a drop in service but **only for those in crisis** and we are adhering to strict rules around social distancing. The maintaining wellbeing peer support sessions between 6-8pm have been cancelled until further notice. For more information, please visit: <https://www.catalystsupport.org.uk/safe-havens/>

GPIMHS / MICHS Service as normal via telephone

Mental Health support at GP practices: Referrals, assessments and appointments are continuing as normal **via telephone**. To find out more about service, please visit: www.catalystsupport.org.uk/mental-health-in-the-community

OUR DRUG & ALCOHOL SERVICES

Reach Out Counselling

Telephone support and open for referrals

We currently are not able to offer face to face counselling sessions or family and friends group support until further notice but can offer the following services:

- Telephone counselling available
- Weekly welfare checks ins for our current face to face clients

Referrals still being taken

We are still accepting referrals for Reach Out Counselling via email and telephone. Clients will receive a telephone assessment once their referral is received. [How to make a referral.](#)
